# Section 1—Rates and Information

## 1.1 DEFINITIONS

Victory Aviation Club, Inc. (hereinafter referred to as the Club) is a non-profit corporation composed solely of member-owners of the Club aircraft. As a non-profit operation, monthly dues are based upon actual fixed costs (insurance, hangar fees, capital improvements, and equipment upgrades, debt service, and administration costs); hourly rates are based upon actual variable costs of operation of the various aircraft owned by the Club (fuel, oil, maintenance, restoration of upholstery and paint, engine and prop overhaul, etc.).

Regular Membership ("A")	Full use of all Club aircraft
"Spouse-A" Membership	Full use of all Club aircraft
Student Membership ("B")	Use of designated trainer only

## 1.4 MONTHLY MINIMUMS

To encourage members to stay current and proficient, a minimum of one hour of trainer time is charged per month. Your monthly bill will be one hour of trainer time or your actual flight time, whichever is greater, plus the monthly dues for your class of membership. Family Members shall be exempt from minimums.

## 1.5 HOURLY BASE RATES

Hourly plane rates are usually found in the most recent Club newsletter. All rates are Hobbs meter time, wet (including fuel). Rates may be adjusted upward or downward during the year, if warranted, to allow for fluctuations in fuel prices and may include a surcharge.

Cessna 172R (9515Q)	Skyhawk	\$101.00

Plane scheduling is based on a first-come, first-served basis. Planes are scheduled online, using the Club's website. It is possible to schedule as an alternate if the plane is already booked for the time that you desire.

All planes are permanently based at the Butler County Regional Airport (KHAO). The Airport is located 3 miles southeast of Hamilton, Ohio.
