Victory Aviation Club, Inc. (hereinafter referred to as the Club) is a non-profit corporation comprised solely of member-owners of the Club aircraft. As a non-profit operation, monthly dues are based upon actual fixed costs (insurance, hangar fees, capital improvements, and equipment upgrades, debt service, and administration costs); hourly rates are based upon actual variable costs of operation of the various aircraft owned by the Club (fuel, oil, maintenance, restoration of upholstery and paint, engine and prop overhaul, etc.).

"Spouse-A", Family Members, and Pilots Emeritus will be exempt from minimums.
